10:30 am to 11:30 am - Performers Showcase

11:30 am to 12:00 pm - Meet & Greet (bring your program calendars; performers will bring their calendars too for on-the-spot scheduling.)

This is an excellent opportunity to...

- SAVE time and money by 'block-booking' performers with other libraries.
- MEET the performers face-to-face and SEE them perform in-person before inviting them to your library.
- SHARE program ideas with a variety of performers and librarians.
- SIMPLIFY booking programs by scheduling multiple event dates with a variety of performers all in one place.

Tips on how to make the most of the Showcase:

- Bring your Summer Program calendar, and highlight your important weekly program dates (kick-off, wrap-up, other special event dates, etc.).
- Visit the performers' websites and speak with other cooperative members ahead of time to make 'block-booking' easier.

The showcase is organized and hosted by Jim Seidl of the Woodlands Library Cooperative and performer Joel Tacey. For more information, please contact Jim Seidl at 517-629-9469 or Joel Tacey at 1-866-625-4846.

We'll see you there!
