Newsletters from several members were received. A thank you letter for the \$1,000 mini grant was also received from Waldron District Library.

### **Director's Report**

Woodlands chartered a bus to Chicago to see the exhibits at the ALA conference, and had 35 participate. The bus picked up attendees at Charlotte, Marshall and Coldwater. Kate went and talked to vendors we use and to ones that are of interest, and enjoyed connecting with them in person.

Kate visited Hudson Carnegie District Library, Jackson District Library, and several other member libraries.

Woodlands conducted a survey of members to see what they wanted from the cooperative. The committees, which are reforming with new members on October 1, use the survey results to plan workshops and monitor services.

Kate will attend the Michigan Library Association conference in October.

State aid for FY 2017-18 will increase to .3639.

In August a decrease in penal fine revenue was reported by many member libraries. At the August Advisory Council meeting a Penal Fine Task Force was formed and several members volunteered to serve on it. Kate has heard that penal fines will be going away as a funding source for libraries, and members need to start planning for this decrease in revenue.

It was moved to accept the Director's Report. (Moved: Raduazo, Second: Gregory. Motion: Carried.)

### **Advisory Council Report**

Kate reported that the minutes from the August Advisory Council meeting will be mailed to members as soon as they have been approved.

#### **Service Contracts**

Woodlands offers contracts to our large library systems including Branch District Library, Jackson District Library, Lenawee District Library and Monroe County Library System for internal delivery to their branch libraries. The amount of the contracts is determined in June of

the next year, using the number of their branches times the yearly cost of RIDES for three-day delivery. We also have service contracts with Monroe for fiscal services and automation services. Board members of the libraries who have service contracts with Woodlands will need to abstain from voting due to conflict of interest. It was moved to approve the service contracts for delivery and services. (Moved: Good, Second: Evans. Motion: Carried, with Gregory, Raduazo and Townshend abstaining.)
